

# FAUSTINO ZANETTO

Software Developer

Bahia Blanca, Argentina

+54 2914124258

zanettofaustino@gmail.com

Date of birth ..... 10 Feb 2003      Nationality ..... Argentinean

## LINKS

*[Github](#), [LinkedIn](#), [Portfolio](#)*

## PROFILE

Passionate about computers and technology since little. Proficient in **problem-solving** and **programming** in various languages and scenarios. Capable of developing a project from the ground up and deploying it using the newest technologies such as **Docker** and **CI**. Solid understanding of the **React** ecosystem and various technologies that rely on it. Always in the process of learning and improving both my soft and hard skills to become a better version of myself and deliver the best products and services.
